

City of South El Monte Community Services Department

Virtual Basketball Camp

1. Basketball camp info:

- Camp runs from August 3rd – August 27th (Monday – Thursday)
- Camp will be held at designated times, depending on age group, through Live Zoom Video Feed.
- Participant will be provided with basketball, cones, and drawstring bag.

2. Pre-Class Preparations

- If possible, designate one device for the Virtual Basketball Camp.
- Download the Zoom application to your smart device OR visit www.zoom.us online.
- Register an account on either application or on their website (free of charge).
- Check your microphone and video camera on whichever device you will be using for class. Keep in mind the nature of the class and if it will be more effective to be on smart device, laptop, or PC.
- Establish a safe, clear and distraction free space in your home to take class in.
- Make sure your internet connection is strong.
- Make sure your device's camera is set to the correct angle so the instructor can see you while in class.

3. Entering Class

- Recreation staff will email you the necessary login information to enter the class. Use it to login no more than 5 minutes prior to the start of class. All participants will enter a 'waiting room' and will be admitted by the instructor. Do not panic if you are not let into class immediately.
- Make sure your screen name reads your name (person attending class).

4. During Class

- Leave your microphone on mute, until your instructor asks you to unmute it. Leaving all microphones on mute will deter any static noise for the entire class.
- Raise your hand if you have a question.
- Be respectful and professional with your actions. Remember you are on camera!
- Don't be nervous or shy, doing things virtually has become the new cool thing to do!
- Have Fun!

5. For any additional information or questions, please contact Paulina Reyes at preyes@soelmonte.org or call 626-579-2043.
