An act to add Section 84616 to the Government Code, relating to the Political Reform Act of 1974.

[Approved by Governor September 28, 2020. Filed with Secretary of State September 28, 2020.]

AB 2151, Gallagher. Political Reform Act of 1974: online filing and disclosure system.

The Political Reform Act of 1974 requires the filing of specified statements, reports and other documents. Under the act, a local government agency may require these filings to be made online or electronically with the local filing officer, as specified. The act requires the local filing officer to make all data so filed available on the internet in an easily understood format that provides the greatest public access.

This bill would require a local government agency to post on its internet website, within 72 hours of the applicable filing deadline, a copy of any specified statement, report, or other document filed with that agency in paper format. This bill would require that the statement, report, or other document be made available for four years from the date of the election associated with the filing. By imposing a new duty on local government agencies, this bill would impose a state-mandated local program.
