

# CITY OF SOUTH EL MONTE

## FY 25-26 PAVEMENT REHABILITATION PROJECT

### Project Scope:

The work involves asphalt concrete rehabilitation of existing streets, curb & gutter, curb ramp reconstruction, and restoration of pavement markings and striping on various streets marked on the above map, Citywide.

### Project Background:

On September 2, 2025, the City of South El Monte awarded a construction contract to Onyx Paving Company, Inc. for the FY 25-26 Pavement Rehabilitation Project. This project's improvements to the neighborhood are provided by SB1, Prop C, Measure R, and Measure M funds.

### Benefits:

The residents of this area will be able to enjoy new and smoother roads upon project completion. The streets highlighted will be free from potholes and other abnormalities. This project will improve both ride safety and ride quality throughout these areas.

### Schedule:

This construction activities will occur between October 2025 through January 2026. Working hours are between 7:00 a.m. and 4:00 p.m., Monday through Friday, excluding holidays and weekends.
