

**CITY OF SOUTH EL MONTE
FY 25-26 PAVEMENT REHABILITATION PROJECT
CONSTRUCTION NOTICE
Issued: November 24, 2025**

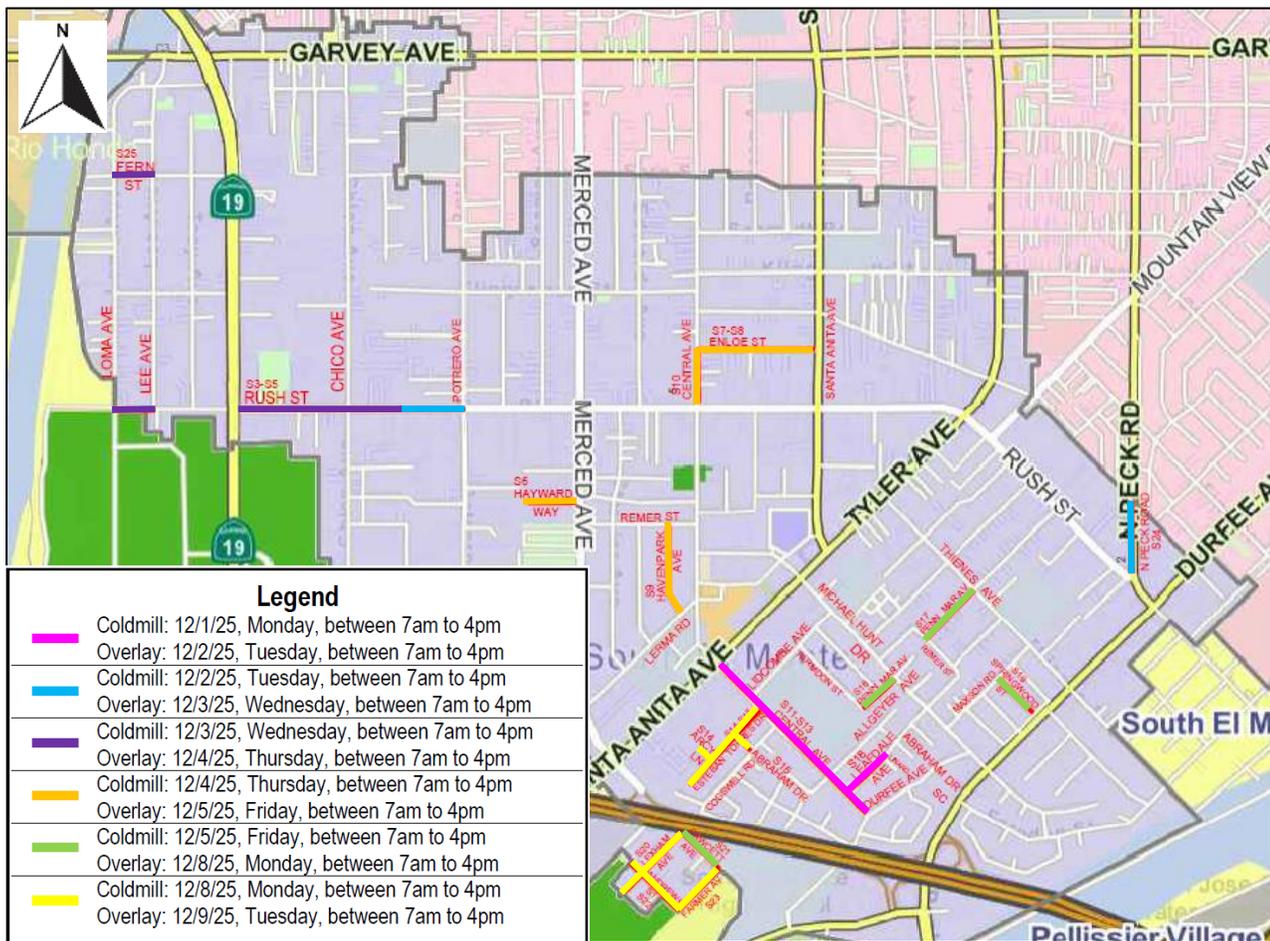

This is a construction progress update notice for FY 25-26 Pavement Rehabilitation Project. Contractor, Onyx Paving Company, will be performing asphalt concrete coldmill and overlay (replacement of layer of asphalt and installation of new asphalt) within your neighborhood. The asphalt resurfacing work is scheduled to start on December 1, 2025. This is an update notice based on the most recent construction schedule.

The construction activities will be performed from Monday through Friday, from 7:00 am to 4:00 pm, excluding weekends and holidays.

Please see below aerial showing project locations and date of asphalt resurfacing. On the dates and times shown on the below aerial, there will be no parking on these streets. No Parking signs will be posted 72 hours in advance. Residents are asked to park off the street and outside the construction zone on adjacent streets.

Any impacts to trash collection days will be coordinated by Contractor in advance. Access to driveways may be restricted during construction.

Please understand that scheduled dates are based on the most current information available, external factors such as inclement weather conditions, manufacturer and supply impacts beyond the City's control may result in schedule adjustments as necessary.

The City of South El Monte and the Contractor will strive to minimize any inconvenience to you. Please feel free to contact our offices if you should have any questions or issues regarding the construction activities.
